

THE POWER OF PARTNERSHIP!

The Hill Club's Boy Scout Troop #706 held High Court in the Club.

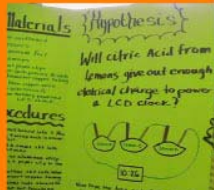

St. Leo the Great School students did a fruit and vegetable tasting with our members! Yum!!

Kunzler invited our members to be Honorary Team Captains at all home games this season, getting them into the Dug Out and onto the field for an up close experience!

F&M's Sigma Phi fraternity coached our basketball league for ages 9-12. A tournament at F&M college ended a great season.

The Lancaster Science Factory opened its doors and showed our youth that science can be fun!

THANK YOU COMMUNITY PARTNERS!
