

## Etiquette Class at All Four Clubs!

Sheryl Trower, known to our members as Mrs. T, has been helping our children learn much more than "Please and Thank You". Her etiquette classes include lessons on phone etiquette, how to write thank you notes and the various styles of table manners. The five week course concludes with the opportunity to put all their new skills to the test at the Pressroom Restaurant. This year, through an exciting new partnership with Tell Transportation, our members arrived in style in a beautiful stretch limousine! Thank you Sheryl, the Pressroom and Tell Limousine for these exciting opportunities!

## Dart Foundation Takes Home the Gold

Through a generous grant of \$3,500, all four Clubhouses were able to continue the tradition of honoring the outstanding work of our members by hosting a themed celebration with Club members' family and friends and awarding their great work and achievements throughout the year. Each banquet ceremony concluded with the most coveted award, the naming of the Boy & Girl of the Year at each Clubhouse.

## Heritage Club

Where today's gift changes the lives of tomorrow's children.

Our Dutch Uncle & Great Aunt Heritage Club is a group of committed individuals and families that have decided to leave a legacy for children in our community.
