"10-12 Basketball Game"

By: Mati Torres

On Sunday, April 19, the club's basketball team had a game against the other clubs. First, we played Columbia and we lost, but the club's basketball team did a good job. Second, we played Steinman and we WON that game. We were very proud of ourselves but we had to go into overtime for two minutes. Third, the Hill Club won the championship game against Columbia. Hill beat them by one point. Lastly, we went to eat pizza with all the players, parents, and coaches. That is what happened on April 19 at the club's 10-12 basketball game on Sunday.
